Food Truck Participation Agreement

1. Space and Placement

Kess_Maj Solutions assigns all food-truck spaces. Vendors may not move, exchange, expand, or relocate without approval. Truck dimensions and serving side must be accurately disclosed.

2. Arrival, Setup and Departure

Check-in begins at 8:00 AM. Setup must be complete by 9:30 AM. Vendors must remain through 2:00 PM unless released by the Event Coordinator. Emergency and access lanes must remain clear.

3. Permits and Insurance

The vendor is solely responsible for current permits, licenses, inspections, certificates of insurance, tax obligations, and all health-department and fire-safety requirements.

4. Food Safety and Operations

The vendor is responsible for safe food handling, temperatures, sanitation, employees, customer service, allergen information, products, prices, and sales. No unauthorized alcohol, tobacco, vaping products, or controlled substances may be sold.

5. Fuel, Power and Fire Safety

Generators and fuel must be safe, attended, and positioned to prevent exhaust, noise, trip, and fire hazards. Propane must be secured. An appropriate, current fire extinguisher must remain onboard. Electricity is not guaranteed.

6. Waste, Grease and Cleanup

The vendor must contain and remove all trash, wastewater, grease, oil, food waste, and supplies. Nothing may be poured onto the pavement, landscaping, drains, or property.

7. Conduct and Removal

The vendor must operate safely and professionally and follow organizer, property-owner, health, and fire-safety instructions. Unsafe or disruptive vendors may be removed without refund.

8. Fees, Weather and Cancellation

Fees are nonrefundable unless Kess_Maj Solutions cancels the event. The organizer may postpone, relocate, modify, or cancel because of weather, emergencies, safety concerns, or circumstances beyond its control.

9. Property, Release and Indemnification

Participation is voluntary and at the vendor's risk. To the fullest extent permitted by law, the vendor releases, indemnifies, defends, and holds harmless Kess_Maj Solutions, its officers, directors, employees, volunteers, sponsors, event staff, affiliates, and the property owner from claims, losses, damage, injury, illness, liabilities, costs, or expenses arising from the vendor's participation, operations, products, employees, equipment, customers, or property, except to the extent finally determined to result from gross negligence or willful misconduct of a released party.

I permit event photographs/video to be used for nonprofit promotion.

I have read, understand, and agree to all terms above.
